SEQUENCE OF STEPS: TAKING A BATH/SHOWER

The diagram consists of seven empty rectangular boxes with blue borders, arranged in two rows. The top row has three boxes, and the bottom row has four boxes. The boxes are connected by blue footprints that indicate a sequence from left to right. The first row starts with a box, followed by three footprints, then a second box, followed by three more footprints, and finally a third box. The second row starts with a box, followed by two footprints, then a fourth box, followed by two more footprints, and finally a fifth box. This layout provides a path for students to write the steps of taking a bath or shower.
